

"I have been using Prosta-Flow in my practice with great results for many years. It is also an important supplement to me personally. I was told that I would need prostate surgery by age 50. I am now 54 and have been able to forgo the surgery."

Dr. Charles Moore, D.C.  
New Philadelphia, OH

## Prosta-Flow

### Fights Prostate Disease

Prosta-Flow is a unique combination of herbs, vitamins and minerals that are supported by studies to protect the prostate from Benign Prostatic Hyperplasia, Prostatitis, and Prostatic Cancer. Those taking Prosta-Flow have noticed a reduction and even elimination of the symptoms of prostate disease.

#### *Prosta-Flow is an effective treatment for:*

- Benign Prostatic Hyperplasia (prostate enlargement)
- Prostatitis (prostate infection)
- Protection from prostate cancer

#### *Active ingredients include:*

- Saw Palmetto (reduces painful urination, prevents prostate enlargement, reduces frequency of night time urination)
- Pygeum, Nettle (suppresses prostate enlargement, increases urine flow)
- Beta Sitosterol (lowers cholesterol, prevents prostate enlargement, improves urological symptoms and urine flow)
- Lycopene (lowers risk of prostate cancer)
- Zinc Arginate (promotes healthy prostate function, fights prostatic enlargement)

Doctor's Choice for Professional Nutrition

"My patients and I are very pleased with the results of reduced indigestion, bloating and several other problems with digestion. We greatly appreciate Digest-Zyme."

William J. Weippert Jr., D.C.  
Sherwood, OH

## Digest-Zyme

### Enhances Complete Digestion

People taking Digest-Zyme generally see improvement in their absorption and utilization of nutrients. Most people feel less fullness after meals and experience increased energy levels. Changes in bowel habits also occur with decreased gas and more regular bowel movements being common.

#### *Digest-Zyme is an effective treatment for:*

- Indigestion
- Constipation
- Bloating
- Food allergies
- Irritable Bowel Syndrome
- Gas

#### *Active ingredients include:*

- Lipase (breaks down fat in butter/cheese/meat)
- Protease (breaks down protein in meat/nuts/cheese)
- Amylase (breaks down carbohydrates, starches & sugars in potatoes/fruits/vegetables/snack foods)
- Lactase (breaks down lactose in milk sugars)
- Cellulase (breaks down fiber, helping to solubilize nutrients from fruits/vegetables)

"Acid Ease is a fast acting formula that provides quick relief for patients complaining about acid reflux."

Daniel J. Chachko, D.C.  
Newton Falls, OH

## Acid Ease

### Relieves Acid Indigestion & Heartburn

Acid Ease was specifically formulated to aid those suffering from acid indigestion and heartburn. Acid Ease is a unique dual phase formula. Phase I aids with digesting foods in the stomach and Phase II aids in the digestive process in the small intestine and neutralizes excess acid. This unique formula provides both immediate relief plus prevention of problems in the future.

#### *Acid Ease is an effective treatment for:*

- Heartburn
- Acid Reflux
- Acid Indigestion
- Gastro-Esophageal Reflux Disease (GERD)

#### *Active ingredients include:*

- Bromelain, Papain, Pepsin (digests proteins)
- Alpha Amylase (digests carbohydrates)
- Lipase, Bile Salts (digests fats)
- Sodium and Potassium Bicarbonates (neutralizes excess acid, enhances digestion)

"Excellent for those with challenged immune systems or those whom are feeling run down and are getting the sensation 'I know I'm getting sick.' Immu-Forte makes a significant difference in strengthening their body resistance."

Anthony J. Badalamenti, D.C.  
Aurora, OH

## Immu-Forte

### Fortifies Immune Defense Systems

Immu-Forte is a powerful and complete immune support formula with both bacterial and viral protection. Take at the first sign of a cold to help prevent it. Beneficial for those with a cold by reducing the symptoms, shortening the duration and preventing it from lingering or reoccurring. Helps the body deal with the stress of illness and to restore energy levels.

#### *Immu-Forte provides nutritional support for:*

- Immune system fortification
- Cold sore protection
- Prevention of colds/flu
- Resistance to allergies
- Sinusitis/bronchial congestion
- Reduced severity & duration of symptoms of colds/flu
- A healthy upper respiratory tract

#### *Active ingredients include:*

- Vitamin A, N-Acetyl-L-Cysteine (enhances immunity, thins mucus, protects mucus membranes)
- Vitamin C (builds white blood cells)
- Echinacea (anti-microbial, boosts immune cell activity)
- Astragalus (increases resistance, restores immunity)
- L-Lysine (prevents outbreak of cold sores)

**Don't take Immu-Forte if you're:**

- Pregnant
- Taking Immunosuppressants, Cyclosporine or Corticosteroids
